

Certified Technology Partner Name: MDV Papier- und Kunststoffveredelung GmbH

Congratulations! We have completed our analysis of your test form submission and the MDV substrate has met all our requirements. MDV Papier is now a Certified Color-Logic Technology Partner for the following substrate:

Substrate: MDV Ultra Silver / for Ricoh Pro™ C7100 Series Press **Date of Validity:** 07 / 10 / 2017

Reflecting on your completion of the Color-Logic Certification Process, MDV Papier now has the ability to use and promote their Certified Status using the following *Certified Partner* logo, which we can make available to them upon request:

NOTE: Image used for representation purposes only.

Best regards,

Richard Ainge
Chief Technology Officer
